No one enjoys being a slave to the system or working at a desk job they hate. With this book, you can reclaim your life and your freedom. In Investing for Dummies: Beginner s Guide on How to Make Money from Home and Become Successful Investor, you will learn about: > Crypto-Currencies: Most people have heard the term crypto-currency by now as it s a very popular mode of investing. Chapter two will cover this in detail so you can get started with it if that s what you choose to do. > Investing in Real Estate: What are the risks that come along with investing in real estate, and what do you need to do to be fully prepared for this? Chapter three will go over that for you, so you can make an informed decision. > What Stocks Are: What are stocks and what is the difference between stocks and bonds? Chapter four will cover all of this. > Choosing a Broker: A broker is highly important for investing, but how are you to know how to choose one? Do you need to learn what a broker is? Chapter five will walk you through this process. > And more: You will also learn about calculating your IRR, what attitude you must have for investing, and the importance of realistic goals. Patience is a huge part of successful investing, so don t forget that! As you can see, you have much to gain and nothing to lose by reading this informative, valuable book. If you re ready to take your financial situation into your own hands and achieve your monetary goals, this is the book for you! Don t wait,...
