

## Exploring Medical Language: A Student-Directed Approach (Paperback)

By Myrna LaFleur Brooks, Danielle LaFleur Brooks

Elsevier - Health Sciences Division, United States, 2017. Paperback. Condition: New. 10th Revised edition. Language: English . Brand New Book. With Exploring Medical Language, 10th Edition, you can now master medical terms on your terms! At the heart of this one-of-a-kind learning package is an innovative worktext, which enables you to gradually acquire an understanding of medical terminology by first learning word parts and then learning how to combine the parts into full medical terms that make sense. Perhaps even better is the wide range of engaging online learning tools - tools like interactive games, puzzles, application activities, and on-the-go auditory reviews - that come with the worktext to help reinforce your learning and help you understand how the terms are used in the professional world. In all, this is the only resource on the market that incorporates all the proven methods for mastering medical terminology that work best for today's learners. Systematic presentation of medical terminology provides a foundation of word parts (prefixes, suffixes, and word roots), then builds words by combining the parts. Comprehensive coverage of words that are built from word parts and other important terms creates a distinction between terms built from word parts and those not...
