Brand New Book ***** Print on Demand *****.Excerpt from The Attacks Upon the Spanish Main by Admiral Vernon The somewhat uncertain peace brought about in Europe in 1736, largely through the efforts of Sir Robert Walpole, served to strengthen the family compact between the Bourbon courts of France and Spain and to give time for the increase of the naval forces of these countries rather than to encourage, as Walpole had hoped, a continued tranquility. The great sea power of England had made possible the development of a large English trade with Spanish America during the alliance of England and Spain in the war against France. This growing commercial supremacy of England was naturally unwelcome to Spain, and both by enforcing the limitations placed upon trading, inserted in the Treaty of Utrecht, and by annoying restrictions in the Spanish ports of America, Philip endeavored to reduce to almost a disappearing point English intercourse with the Spanish colonies. English trading vessels, always at that time partially armed, were having frequent encounters with Spanish vessels, and on neither side were the agreed upon stipulations duly respected....
