Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Anglers Evenings: Papers by Members of the Manchester Anglers Association The volume is, therefore, placed before the public in the same spirit in which its component parts were submitted to the original hearers. Though good listeners are desirable members of a social gathering, yet it is proper that each man should be prepared to contribute somewhat to the general entertainment. But there be some men who are too strongly impressed with a sense of this duty, and who do not leave other men their turns to speak, but would reign and take up all the time. Such loquacious persons are eminently amiable, but occasionally tiresome. This not infrequent drawback to spoken discourse, is, however, absent when the matter is presented in the form of a printed book; for, by simply closing the volume, the reader can stop the supply when his present wants are satisfied. At least one practically useful purpose may be served by this book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This...
