The topics of angels is contained throughout the various Holy books teachings and writings across all the major religions. This is a great reference volume for anyone interested in what an important role is ascribed to Angels throughout religious belief. You will be amazed to discover that literally every religion in the world refers to Angels in important ways, and gives them important duties relating to support, healing, love, guidance, comfort and protection for humans. You can discover the Angels that surround you in your daily life, and how they affect you. Additionally the various Angel hierarchy is explained in detail and the purposes that they serve. This is a well researched book on the subject that was never before described in such detail as in this book. It is a great read for anyone who desires to learn about the importance of Angels in all religions. Additionally, you will learn how to make contact with your own personal angel/s, and how to communicate with them on a personal level. You will notice the signs and attune to their replies. Humanity has always had the opportunity to connect with the Angels, but has often simply overlooked the clear descriptions described in the Holy books as children s stories. But why would the Holy books contain simply a story to entertain children? We forget that these are serious descriptions of Angelic contact and their existence! If you want to know better how Angels exist to help you, how they are everywhere, and how real they really are, then enjoy this book on the subject. You may also contact the author directly through her websites, as Dr. Kelli, The...
