Fort Toulouse: The French Outpost at the Alabamas on the Coosa (Library Alabama Classics)

By DANIEL H THOMAS

University Alabama Press. Paperback. Condition: New. 136 pages. Situated at the head of the Alabama River system at the juncture of the Coosa and Tallapoosa rivers Fort Toulouse in 1717 was planned to keep the local Indians neutral, if not loyal, to the French and contain the British in their southernmost Atlantic colonies. Unlike the usual frontier settlements, Fort Toulouse was both a diplomatic post, since its officers acted as resident ministers, and a military post. Because it was located in a friendly territory adjoining an area under a rival (British) influence, the post participated in psychological warfare rather than in blood-letting. It used trade and aid, and was familiar with spies and double-agents welcoming and debriefing British defectors; no cannon was discharged in anger at Toulouse. The most eminent figure to have been connected directly with Fort Toulouse was General Andrew Jackson, who established a military post there during the War of 1812 after his victory over the Indians at Horseshoe Bend. The outpost was named Fort Jackson in his honor and played a key role in the treaty negotiations and eventual settlement of the Indian land by Americans. In addition to discussing geopolitical and military affairs and diplomatic relations with Indian...
