NEVER FEEL OLD AGAIN (PAPERBACK)

HEALTH COMMUNICATIONS, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Ray Francis first book, Never Be Sick Again, helped thousands of people put their incurable diseases into remission and enabled thousands more to shed excess weight, improve their cholesterol profiles, and achieve peak immunity from disease. Now Francis brings his revolutionary approach to anyone who wants to enjoy robust health and wellness and reverse accelerated aging. As Francis explains, just like an automobile, the body ages as a result of accumulated repair deficits, or a lack of maintenance. Fortunately, the human body is a self-repairing system, and in this latest book, Francis shows readers how to stay in good repair and keep the aging process at bay. His revolutionary approach counters the one-size-fits-all approach of most conventional anti-aging treatments on the market by targeting specific imbalances that manifest through aging symptoms. Botox injections, plastic surgery, and even hormone-replacement therapies don't yield meaningful results because they fail to activate the body's self-repair mechanisms; what's more, sometimes these treatments compound the problem by introducing additional toxins into the body. Never Feel Old Again provides a fundamental understanding of why we experience accelerated aging and teaches readers to look and feel their best and be healthy at any age.
