Penguin Books Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. I have been a restaurant critic for over a decade, written reviews of well over 700 establishments, and if there is one thing I have learnt it is that people like reviews of bad restaurants. No, scratch that. They adore them, feast upon them like starving vultures who have spotted fly-blown carrion out in the bush. They claim otherwise, of course. Readers like to present themselves as private arbiters of taste; as people interested in the good stuff. I m sure they are. I m sure they really do care whether the steak was served au point as requested or whether the souffle had achieved a certain ineffable lightness. And yet, when I compare dinner to bodily fluids, the room to an S M chamber in Neasden (only without the glamour or class), and the bill to an act of grand larceny, why, then the baying crowd is truly happy. Don t believe me? Then why, presented with the chance to buy this ebook filled with accounts of twenty restaurants - their chefs, their owners, their poor benighted front of house staff - getting a complete stifing courtesy of the sort of vitriolic bloody-curdling review which would make the victims call for their mummies, did you seize it with both hands?.
