

## Currency Strategy: The Practitioner's Guide to Currency Investing, Hedging and Forecasting (Hardback)

By Callum Henderson

John Wiley and Sons Ltd, United Kingdom, 2006. Hardback. Condition: New. 2nd Edition. Language: English . Brand New Book. Currency Strategy, Second Edition develops new techniques and explains classic tools available for predicting, managing, and optimizing fluctuations in the currency markets. Author Callum Henderson shows readers how to use mathematical models to assist in the prediction of crises and gives practical advice on how to use these and other tools successfully. Given there such huge focus on China at the moment, the timing of this new edition is particularly important. The new edition will feature a thorough update on the key developments in the past 3 years, new chapters on emerging markets, an in-depth review of the markets of China and India and their currencies and much more.
