In Pursuit of Great and Godly Leadership: Tapping the Wisdom of the World for the Kingdom of God

By Mike Bonem

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Is it possible for church leaders to use biblical and secular leadership concepts in a way that keeps Christ--not the marketplace--at the center of their mission? Drawing on biblical material and business wisdom, In Pursuit of Great AND Godly Leadership explores the critical leadership decisions and practices that shape the success of Christian organizations. These decisions are illustrated in compelling interviews with over 40 leaders of churches, universities, denominational bodies, and international ministries. Mike Bonem leverages his background as an MBA-trained manager and an experienced church leader to bridge the gap between the analytical and structured world of business and the faith-driven approach that is essential for healthy churches. Written to offer practical solutions for senior pastors, executive pastors, key laypeople, and leaders of other Christian entities, In Pursuit of Great AND Godly Leadership clearly shows the ways that secular practices can be imported into their organizations. Bonem addresses a variety of topics, such as planning, finances, personnel management, measurement, team dynamics, and organizational change. In doing so, he points to the AND that every spiritual organization should strive to achieve.
