Outskirts Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I know there are tons of relationship books out there that reference relationships. However, I have not read one that tackles the true need that we each have for one another. 10 Things Every Lady and Man Need From One Another illuminates needs we both share. You have heard that men are physical and women are emotional, that is true. I demonstrate in my book where these needs come from and how can we meet if not all some of the needs of our partners. From the time girls come out of their mother s womb they have an Electra complex where, girls have an attraction to her father and competes with her mom for dad s attention. The opposite with boys they are fixated on his mother and competes with his father for maternal attention Oedipus complex and rivals her mother for her father s attention. Guess what? Although that sounds weird girls and boys grow up with issues towards their mother s and father s and start formulating erotic feelings and jealousies towards the opposite sex. I discuss how and why our issues are derived and the baggage we carry into relationships. We are going to break some of these cycles through exercises and I give clear instructions on what we really need from one another. It takes several things to make a relationship successful. Some key things to help assist having a healthy relationship are respect, trust, support, great listening skills, communication, being appealing to your partner, understanding intimacy and how to show intimacy. In addition, this book will assist you in what it takes to be monogamous, dating your spouse, being romantic, and how to keep laughter in your relationships....
