## ELVIS HAS LEFT THE BUILDING: THE DEATH OF THE KING AND THE RISE OF PUNK ROCK (HARDBACK)

Overlook Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Elvis Presley has permeated the modern world in ways that are bizarre and inexplicable: a pop icon while he was alive, he has become almost a religious icon in death, a modern-day martyr crucified on the wheel of drugs, celebrity culture, junk food and sex. In *Elvis Has Left the Building*, Dylan Jones takes us back to those heady days around the time of his death and the rise of punk. Evoking the hysteria and devotion of The King's numerous disciples and imitators, Jones offers a uniquely insightful commentary on Elvis's life, times and outrageous demise. Recounting how Elvis single-handedly changed the course of popular music and culture, Jones delves deep into the cult of The King and reveals the universal importance of what Elvis's death meant and still means to us today.
