Eastwood Harris Pty Ltd, Australia, 2016. Spiral bound. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. A user guide and training manual written for Project Management Professionals who wish to learn how to plan and control projects in an established Primavera Enterprise environment with or without Resources and Roles. This book is an update of the author's Primavera P6 Version 8.1 to 15.1 book and contains a new section on Visualizer. The workshops have been updated so they start in the future. The book has been written so it may be used with any software industry version. The book is packed with screen shots, constructive tips and contains workshops with solutions at the end of each chapter for the reader to practice the skills taught. It has been written so it may be used with either the Professional Project Management Client version or the Enterprise Project Portfolio Management Optional Client. The book is aimed at: *People who wish to learn the software but are unable to attend a training course and find the software reference manual hard going. *Project management companies who wish to run their own software training courses or provide their employees with an alternative text to the vendor supplied user manual. *Training organizations requiring a training manual to run their own training courses. This book is a PMI Approved course and instructors PowerPoint slide shows are available to training organizations. PMI REPs may apply to have this course licensed to them and award 21 PDUs to each attendee. Primavera Systems Inc. originally asked the author to write this book and this publication is ideal for people who would like to gain an understanding of how the software operates up to an intermediate level. It covers only Primavera Versions 8.1 to 15.2 Professional Client and Optional Client. It...
