This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2014 in the subject Politics - International Politics - Region: South East Europe, Balkans, Universität Tirana (Albanian Institute for Political Studies), language: English, comment: Golden age of political studies and international relations, identified along with other study areas as trendy studies reached the top and then started falling in less than a decade. True test of the studies - professional integration in the job market - turned out to extinguish the initial enthusiasm and consequently, to suggest other routes of change, improvement and reflection. This example has demonstrated that studies have a specific and useful value when they have a professional integrity and when the structure and content of them have strong links with the trends. , abstract: This paper addresses the misbalanced rapport between the trendy university supply during the last decade in Albania (political science and international relations) and the real demand of the labor market. The massive stride towards these professions was made without having quality counseling information on their perspectives and employment opportunities. Public and university institutions...
