Pro Mastery Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you tired of ending the day being disappointed with yourself? Do you wish you knew how others get so much done with their time? Whether you want to (1) feel motivated and overcome procrastination, (2) get more important things done each day, or (3) perform to your true potential, then this is the book for you. Learn how to easily produce more than you ever thought possible. The key to productivity is to work with what you have, not to waste time bemoaning what you don't have. In this book I offer an easy method that will help you evaluate your abilities, skills, strengths and weaknesses. Then I provide practical ways that you can put them to use to increase your productivity. These evaluations include the major areas of your life along with practical solutions for each one. When you work with yourself instead of against yourself, you'll be surprised at how much you can get accomplished! Let your habits help you. You may not be aware of it, but habits rule your life. They guide you from the time you wake up to when you close your eyes to sleep. I will show you how to harness the incredible power of habits to help you easily get more done each and every day. Discover how to unleash the positive energy of your excellent habits to increase your productivity and get more done than you ever thought possible. Beat down obstacles to productivity. Procrastination is the first enemy of a productive life. Apathy is the second. The strategies in this book will show you how to eliminate the mental obstacles that keep you from doing what you know needs...
