Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

MANUAL OF PRACTICAL HOUSEKEEPING: THE OUSEHOLD TREASURE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of Practical Housekeeping: The Ousehold Treasure The first edition of the Household Treasure was launched into being, with no expectation that another would be needed; but it has met with such unexpected favor that the second is sent forth, with the hope that it will meet as favorable a reception as the first, and that they will indeed prove treasures in many households. It can hardly fail to be successful in meeting the wants of many, in that the information it contains is such as has been weighed in the balance and (not) found wanting. But it is a lamentable fact, that many take upon themselves the care of a household, without any practical knowledge of the duties of the position. It is comely to look upon from the outside, but when once within the complicated machinery, the multiplicity of wheels to be set in motion, convinces one of the necessity of a knowledge of what to do and when to do it. This work does not pretend to be perfect in every part. Far from it. There will be, as in everything human, room for criticism. It is however, plain, practical and sensible, as far as it goes. Thanks are due to those who have so kindly...
