

The Medici: Godfathers of the Renaissance (Paperback)

Filesize: 2.43 MB

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

THE MEDICI: GODFATHERS OF THE RENAISSANCE (PAPERBACK)

[DOWNLOAD PDF](#)

Vintage Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. A dazzling history of the modest family which rose to become one of the most powerful in Europe, *The Medici* is a remarkably modern story of power, money and ambition. Against the background of an age which saw the rebirth of ancient and classical learning Paul Strathern explores the intensely dramatic rise and fall of the Medici family in Florence, as well as the Italian Renaissance which they did so much to sponsor and encourage. Strathern also follows the lives of many of the great Renaissance artists with whom the Medici had dealings, including Leonardo, Michelangelo and Donatello; as well as scientists like Galileo and Pico della Mirandola; and the fortunes of those members of the Medici family who achieved success away from Florence, including the two Medici popes and Catherine de Medicis, who became Queen of France and played a major role in that country through three turbulent reigns.
