AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After several years of writing newspaper columns, comments from readers caused me to realize that a published book of these columns might be welcomed by readers who wanted to read them again or give them as gifts. My first two collections, J Ever Notice? and Zat Right? were well received. It is my wish that these stories will bring my readers the same nostalgic entertainment and humor, both of which are wonderfully healing. Let me tell you more country stories about old tractors and cars, farming, kids, storms, time, early radio programs, some old scary stories, teachers, cotton gins, old diaries, how things were one hundred years ago, hard doings, dry times, going from boom to bust, horses, dogs, trail drives, and wash pots, as well as some others about reunions, cemetery workings, going to church in the country, families and kinfolks.
