Shepherd Press. Hardcover. Book Condition: New. Matthew Sample II (illustrator). Hardcover. 27 pages. Dimensions: 10.3in. x 8.1in. x 0.4in. Gods Great Plan memorably recounts the greatest rescue story of all time. In concise rhyming narrative, it tells of creation, fall, redemption, sanctification, and glorification. This valuable resource equips parents, grandparents, aunts, uncles, ministers, and teachers to share the gospel with the children in their lives. It also equips those children to think about the gospel and to share it with their friends. The rhyme and rhythm of the book provide an easy way for children to remember and be able to recite the main points of the gospel. The illustrations give readers their own place in the story. They portray two children interacting with the gospel as they visualize and apply the truths being taught by their grandfather. These images help children grasp the significance of God's plan in their own lives. Anyone who desires to make the gospel more accessible and attractive to children will appreciate this book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
