Obsessing over status, grades, exercise or a boyfriend could never become an addiction. Could it? The third installment of the Status Updates series finds four college sophomore roommates finally getting comfy with the routines of dorm life. But Kat, Claire, Palmer, and Hannah soon begin to feel the nagging ache of innocent addictions pulling them away from their true selves. Hang out with these four roomies to see if they can--or even want to-- ditch these sneaky little hang-ups before they take over their lives. I m so glad to see Laura L. Smith writing about such serious and important issues. Kudos to her for being brave enough to write the truth. New York Times bestselling author, Tosca Lee It s Addicting tackles real-life issues with raw honesty. This book is something every high-school and college-aged girl should read. Nicole O Dell, founder of Choose NOW Ministries Laura L. Smith writes with precision and honesty in the third book of her popular Status Updates series. In the end, the answers aren t easy or pretty, but Smith, with characteristic gentleness, pushes readers to see that clarity and hope come from one place--a God who seeks us as fiercely as we seek Him.
