DragonRising. Paperback. Book Condition: new. BRAND NEW, The Golden Horse: and Other Fairy Tales, Silvia Hartmann, Story is the oldest and most profound device of human learning, and of change. Fairy tales especially, with their timeless settings, their powerful imagery and rhythms, their patterns and their unfoldments, shape our lives and thinking more than most will ever know. For those who want to escape from the 'lessons' learned in childhood about evil witches who eat little children, of monkey's paws and the dangers of wishing for anything at all and re-claim their magic in a very different way, "The Golden Horse" is the perfect antidote - here are 'new', powerful stories of true magic, of power, indeed, of our personal, god-given power to change the world and live lives filled with enchantment. Like the "Golden Horse", these stories are here to help us today throw off the shackles of the valley of the shadows, and live and dance in the light of beauty, and of truth. Perfect for sharing with real children, perfect for the child within, perfect and unusual tools for self help and therapy, these stories can be used to change minds, and hearts, and most of all, re-connect us to the magic we once knew for real when we were still a child.
