

Accident Prevention: A Workers Education Manual (Paperback)

Filesize: 1.16 MB

Reviews

Simply no terms to clarify. It is actually loaded with knowledge and wisdom I am just delighted to let you know that this is the very best publication i have got read through during my individual lifestyle and could be he very best pdf for actually.
(Mr. Caleb Quigley MD)

ACCIDENT PREVENTION: A WORKERS EDUCATION MANUAL (PAPERBACK)

[DOWNLOAD](#)

International Labour Office, Switzerland, 1986. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.Accident prevention. A workers education manual. 2nd (revised) edition Workers are becoming more and more aware of the role that they, and the management, can play in reducing the number of occupational accidents. The 14 chapters in the manual are full of examples and practical advice and lend themselves both to group work and to individual study. They cover the basic principles of accident prevention, the causes and effects of accidents, and the reporting of accidents and keeping of records for statistical purposes. The role of the trade union is shown to be particularly important, for example in the setting up of safety committees and in training workers. This new edition of the manual has been revised to take full account of recent developments in accident prevention work.
