ROB BELL AND A NEW AMERICAN CHRISTIANITY (PAPERBACK)

[DOWNLOAD PDF](#)

Abingdon Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. ROB BELL Subversive? - Celebrity? - Radical? - Heretic? - Holy Man? Before being featured in Oprah s Super Soul Sunday and making the cover of Time Magazine, Rob Bell caused the entire evangelical world to wrestle with the scope of salvation with one daring question: who gets to be saved? For religious progressives, Bell - the star of the influential Nooma series, game-changer in the church, and budding TV entrepreneur - offers a passionate faith, a prophetic challenge, a biblical acuity, and a generous vision of who God is in the world. For conservatives, Bell s the voice that young Christians are looking for--a person who takes science seriously, speaks at cutting edge of popular culture, and argues God is bigger than our language for him. The Christian message needs a new interpreter: one particular enough to embody the tradition but broad enough to evoke thought and feeling from a range of people, including evangelicals, religious progressives, and those disenchanted with church religion--the spiritual but not religious, who find themselves compelled by Bell s charisma and artistic creations. Rob Bell offers a beautiful Jesus that entices, absorbs and inspires individuals to go beyond the back-biting and turf-fighting and culture wars that plague contemporary forms of evangelical and liberal Christianity. Author, scholar, and speaker James Wellman offers an incisive and critical look at Rob Bell: his influence, his roots, his brand. Wellman s explains Bell s rhetoric, ponders the implications of his creative message-making, and provides an interpretation of his influence that puts Bell at the center of a new American Christianity. Praise for Rob Bell and a New American Christianity: As evangelicalism of the twenty-first century continues its centuries-long quest...
