Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A young black poet blending spoken word and rap; an inner city upbringing with a Cambridge education; a social consciousness with a satirical wit and infectious rhythm-George The Poet is the voice of a new generation. Search Party is a thought-provoking and deeply autobiographical collection. From the overtly political Go Home to the deeply personal Full-time; the narrative poems that offer vivid and unapologetic snapshots of inner-city life, such as His Mistakes, Believer, and the anthemic My City; to the provocative social commentary in Lazy Dog and YOLO; to the inspiring, idea-driven pieces such as The Power of Collaboration and School Blues, George takes poetry into new territories and to new audiences, offering a different way to talk about the things that matter, to explore his own experience and ideas, and encourage others explore theirs. George The Poet s mesmerizing and unforgettable live performances have earned him critical acclaim. From sell-out headline gigs and YouTube hits, to recording his own music, and now his first collection of poetry, George uses his work to speak truth to power and challenge our preconceived ideas about the society we re living in.
