The USAARMS personnel provided the results of company team tests (End of Course test for AOAC RC students and EO V IV and V tests for AC3 DL students) to ARI personnel for analysis. Personnel from USAARMS and ARI jointly developed, administered, and analyzed the AC3 DL student survey, along with the structured interview questions for both the AC3 DL students and SGI. The USAARMS and ARI personnel also observed resident portions of AC3 DL. Results Demographics Comparison for AC3 DL and AOAC RC Students Both AC3 DL and AOAC RC class students completed a 20-item Demographics Questionnaire at the beginning of resident training. Data from the questionnaire can be used to compare the characteristics of students in the two different courses. Where demographic differences exist between student groups, differences in test performance might be attributable to different student characteristics as well as the contribution...
