Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

LIKE WATER TO STONE: A COLLECTION OF POEMS (PAPERBACK)

Adelaide Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Many poets can scratch words onto paper, but they lack the painter's eye that turns those words into images that rise from the page to take our breath away. Mr. Pelcman is what we might call a verbal cinematographer. His words often arrive with familiar experiences, causing us to nod our heads as we watch them unfold quietly, gently before us. And then, without warning, he delivers a sledgehammer's blow that slams an event before us--one that we don't deserve to share--and it hangs in memory like a fishhook in the mind's eye. A poet whose body and soul carry the baggage of his years with dignity and grace, Steven Pelcman's poetry has already made its mark. It will be read far into the future. (Dan Masterson, Award Winning Poet).
