By David Seed

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Science Fiction: A Very Short Introduction, David Seed, Science Fiction has proved notoriously difficult to define. Examining recurrent themes in science fiction he looks at voyages into space, the concept of the alien and alternative social identities, the role of technology in science fiction, and its relation to time - in the past, present, and future. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to...
