FORGE, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Los Angeles, 1937. Lillian Frost has traded dreams of stardom for security as a department store salesgirl . . . until she discovers she s a suspect in the murder of her former roommate, Ruby Carroll. Party girl Ruby died wearing a gown she stole from the wardrobe department at Paramount Pictures, domain of Edith Head. Edith has yet to win the first of her eight Academy Awards; right now she s barely hanging on to her job, and a scandal is the last thing she needs. To clear Lillian s name and save Edith s career, the two women join forces. Unraveling the mystery pits them against a Hungarian princess on the lam, a hotshot director on the make, and a private investigator who s not on the level. All they have going for them are dogged determination, assists from the likes of Bob Hope and Barbara Stanwyck, and a killer sense of style. In show business, that just might be enough. The first in a series of riveting behind-the-scenes mysteries, Renee Patrick s Design for Dying is a delightful romp through Hollywood s Golden Age.
