A HISTORY OF A PEDOPHILE S WIFE: MEMOIR OF A CANADIAN TEACHER AND WRITER (PAPERBACK)

DOWNLOAD

BookBaby, 2015. Paperback. Condition: New. Language: English . Brand New Book. How could a mother not know? This is a question often asked about families where incest has occurred, and Eleanor Cowan s gripping memoir, A History of a Pedophile s Wife, steps up with answers that are courageous and heartbreaking. Cowan grew up in Quebec in the 1950s, in a large Roman Catholic family with a lethal mix of violence, addiction, and toxic pedagogy. Cowan details the dance of a survivor moving into adulthood: one step forward towards freedom, two steps back into conditioning, until a tipping point of consciousness is reached. As her memoir makes clear, that tipping point is not just a critical mass of abuse or even a touchstone of personal growth. It requires an enlarged and feminist context, permission to know the unknowable, and language to name the unspeakable. Cowan s book is a primer in compassion, especially for those of us who were abused as children and left to struggle with legacies of distrust and rage towards our mothers. It s a vivid indictment of a mother-blaming culture that protects the very institutions that perpetuate child abuse.
