Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is tailor made to help you rise to meet the challenges of the college experience, both academically and socially. In this book you will learn skills that will help you develop a system of habits that will benefit you for the rest of your life. Learn how to: Minimize the time you spend studying. Master techniques to optimize the time invested in studying. Develop and implement great study habits on a consistent basis. Understand that time is a finite resource and therefore needs to be budgeted like any other finite resource. Organize, prioritize and execute every assignment, project and event on your calendar. Improve your output so you create and turn in grade-A work. College can be an awesome and life-changing coming of age experience. For many folks, their college years are the best years they have on record. And after you read this book and master the art of balancing your studies with your socializing, you may agree that as a college student, your college years are, in fact, the best ones you have ever had. So, grab a pen and a sheet of paper. You won't need more than one sheet. Make a note of any strategies, recommendations and skills that don't already come naturally to you. These notes are just for your eyes and your life. Scribble them down. Rehearse them in your mind a time or two and when you have them down to a science in your mind, implement them immediately.
