Heavenly Birthday, the second book of the Angel Tweet Series, is a novel way to give a gift of love which can be enjoyed and then shared by paying it forward through tweets to others. Heavenly Birthday is an inspiring story about how two lonely people come together through angel interventions to make a difference in one another's lives. Monica, soon approaching thirty, is all alone after years of giving care to her mother prior to her passing. In the meantime, Celia, a child whom she teaches, needs a temporary home and Celeste appoints Gabe, a socially awkward angel, to intervene. Can these two, who both miss their mothers, form a bond? Can a dog Monica adopts from the Humane Society assist them in finding love and becoming a family? Share in this heartwarming story of how several angels must collaborate to assist in birthday wishes coming true. This item ships from La Vergne, TN. Paperback.
