Page Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What started out as an Ethic Will for my family and friends, then morphed into a memoire of sorts, has become a record of my experiences in the nuclear industry over a 45 year career. This takes vision and leadership and knowing what tools to apply and when to apply them. I was at ground...
