With the notoriety received after he competes in the World Series of Poker to raise money for his newest charities, the Tea Party member is introduced to the presumptive Republican presidential nominee. A driven, charismatic, and brilliant leader by nature, Cameron soon finds himself invited into the elite world of professional politics. When Chris is asked to be the running mate on the GOP ticket, he leaps at the opportunity. The duo is elected and with the assistance of a super-majority Republican-controlled Congress they quickly implement a far-reaching agenda to restore the United States to its rightful place atop the geopolitical stage. Cameron Nation tells the story of how a street smart kid from the suburbs of New York City leverages a deep understanding of economic theory, the business world and the capital markets combined with the savvy of an experienced poker player to provide overwhelming strategic support and gain the trust of the new president and the growing conservative movement.
