Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The labyrinth was always there, solid, unmoving, grimly transparent in its purpose. It reminded the elder of a broken-winged dawn, the failure of a new day's sun to spread its light and move high on the horizon. But time eluded his feeble grasp in this darkening dream. The hours moved at their usual dauntless rhythms while his heart yearned to make this intricate sea of stone go away. Daedalus glanced up at the timeless structure, embracing the heroic challenge of flying away from the hopelessly narrow spaces. He had built the labyrinth for a purpose. The crash echoes loudly, and then a structure emerges from underneath limitless depths. The loud noise begins to subside and the ocean radiates. It produces a number of paths, which expand into an infinite number of passages. These paths are invisible, merging seamlessly into the blue. But his heart is able to glimpse a secret, meandering road of light across the sea. The man maintains his eyes on the pattern as he stands on a massive rocky outcrop facing the sea. His heart soars and boldly ventures through a passage leading deeper into...
