THE TREASURE CHEST OF GRACE: FOLLOWING GOD S MAP TO UNTOLD RICHES IN CHRIST JESUS

Createspace, United States, 2011. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.For too long members of the Lord s Church have begun conversations about salvation with, You need to. Certainly there are things man must do to receive God s gift of salvation, but I think we need to start the conversation with, God. Therefore, this book explains how and why God provides grace and then what man must do to receive it. I wrote this book for two reasons: 1. I want Christians to know that they have not saved themselves! If you are saved, it is by the grace of God in Christ Jesus! When you were baptized into Christ, you did not save yourself--you appealed to God for salvation through Jesus Christ (1 Peter 3:21). I want Christians to know this and be able to explain it simply and clearly to others. 2. I want non-Christians to know exactly what they must do to receive the gift of grace in Christ Jesus. They need to know what grace is, why they need it, and how to get it! They need to know that their denominational preachers, pastors, priests, and popes may not have been telling them the truth about the grace of God. This book will lovingly explain to them the Truth! Here s What the Readers are Saying: The Treasure Chest Of Grace is absolutely the best book I have read about the grace of God. Wes McAdams wrote in a very simple and concise manner, quoting no other author in his book except God. If you are interested in God s truth about God s grace you need to read this book or give it to someone as a gift. Thanks Wes! - Shawn...
