Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Prayerful Journey - The cliché Life is about the journey, not the destination is credited to Ralph Waldo Emerson, even though no proof can be found in his writings. Author Greg Anderson said Focus on the journey, not the destination. Joy is found not in finishing an activity but in doing it. Culture continues to create noise like this in hope of finding enlightenment. The Truth has little to do with facts they chose to follow. A Prayerful Journey seeks to quiet the noise and calm the chaos that we have in our everyday life. A Prayerful Journey is a tool to assist with the journey, while focusing on the destination. The decision on where we will end up is the most important decision we have to make. Does your journey point to your destination.
