## CREATION, POWER AND TRUTH: THE GOSPEL IN A WORLD OF CULTURAL CONFUSION

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, Creation, Power and Truth: The Gospel in a World of Cultural Confusion, Tom Wright, Tom Wright raises searching questions about three key aspects of our culture: neo-gnosticism, neo-imperialism, and postmodernity. Employing a robust Trinitarian framework, he invites the reader to reconsider key aspects of the biblical story while drawing out unexpected connections between ancient and contemporary world-views. The result is an incisive critique of common cultural assumptions and controlling narratives, past and present, and a clarion call for Christians to give fresh voice to God's truth in today's intellectual and political arenas. Essential reading for all who want to understand how the Gospel can be heard clearly in a world of doubt, scepticism and confusion.
