Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Internet blues seems to be setting in, but you can t really talk with too many people about your concerns, because you don t want to hear, I told you it was too fast. In this book, Too Much Too Soon Internet Dating Blues, inspirational speaker and author Nicholl McGuire provides advice on: making better online connections in the future, how to be more discerning when Internet dating, what to do about those dating issues offline, as well as what might lie ahead if you settle with a less than compatible Internet date. Having dated in the past online and offline, McGuire shares some lessons learned and reminds readers often why it is so important to take your time when dating. She is detailed in sharing what exactly it means to slow down a bit on the information superhighway in this work. Purchase a copy for you or a friend today!.
