Random House USA Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. A thrilling new Victorian-era urban fantasy for fans of Kevin Hearne's Iron Druid Chronicles, the Showtime series Penny Dreadful, and the Sherlock Holmes movies featuring Robert Downey, Jr. The Crown and Key Society face their most terrifying villain yet: Gaios, a deranged demigod with the power to destroy Britain. To avenge a centuries-old betrayal, Gaios is hell-bent on summoning the elemental forces of the earth to level London and bury Britain. The Crown and Key Society, a secret league consisting of a magician, an alchemist, and a monster-hunter, is the realm's only hope--and to stop Gaios, they must gather their full strength and come together as a team, or the world will fall apart. But Simon Archer, the Crown and Key's leader and the last living magician-scribe, has lost his powers. As Gaios searches for the Stone of Scone, which will give him destructive dominion over the land, monster-hunter Malcolm MacFarlane, alchemist extraordinaire Kate Anstruther, gadget geek Penny Carter, and Charlotte the werewolf scramble to reconnect Simon to his magic before the world as they know it is left forever in ruins. Praise for The Conquering Dark Yet another fantastic addition to the amazing Crown Key series . . . I didn't want the book to end. --Word Gurgle The previous novels, The Shadow Revolution and The Undying Legion, set a high standard that The Conquering Dark not only meets, but surpasses. . . . If you are looking for an exciting fantasy series with memorable characters, look to the Crown Key trilogy. You won't be disappointed. --The Mutt Cafe The Conquering Dark is the final book of the Crown Key trilogy, and it was a wonderful ride!
