Canongate Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Main. Language: English . Brand New Book. THE NEW YORK TIMES BESTSELLER Unforgettable . . . a hilarious, poignant and impassioned plea to revolutionise our attitudes to death Gavin Francis, Guardian From her first day at Westwind Cremation Burial, twenty-three-year-old Caitlin Doughty threw herself into her curious new profession. Coming face-to-face with the very thing we go to great lengths to avoid thinking about she started to wonder about the lives of those she cremated and the mourning families they left behind, and found herself confounded by people's erratic reactions to death. Exploring our death rituals - and those of other cultures - she pleads the case for healthier attitudes around death and dying. Full of bizarre encounters, gallows humour and vivid characters (both living and very dead), this illuminating account makes this otherwise terrifying subject inviting and fascinating.
