The FireLands - Return of The King - is the last of The FireLands Trilogy. In this final story Allen returns an injured Jade to Reunion and to the healing Green Waters. He is later accepted as the new King and Jade becomes his Queen. They soon find themselves facing the threat of one, once exiled from The Realm, and they come to realise that, perhaps, the power and the threat of Zen could not be defeated. The Green Waters saw the threat but her interference could destroy all that Allen and those of The Realm held dear.
