Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Each of us has but one shot at life. We are eager to make that shot count, and while we try, we hope that we can be counted within the few whom history says have made their dent in the world. I believe that my mission in life is to be a transitory yet prophetic messenger who turns up at an opportune time, to share the things that may help you make your individual dent in the world. To do this, I have carved out 101 chapters through which you may discover, adapt, and create what best suits you to help you make your distinctive mark in the world. My 101 chapters shed light on how you may use your intuition to become as successful as you intend to be. It explores the litmus test you may apply when choosing your inner cabinet of friends and business partners to build your trusted network. The Power Guide shares many of the inspirational triggers I deployed to help me distinguish myself in my academic and professional examinations, secure the choice jobs that I wanted, as well as forge fruitful business partnerships and tie-ups. Life is short, and this Power Guide seeks to help you live it! The great scientist Albert Einstein referred to his intuition as the only real valuable thing. It has been more than 50 years since Einstein has passed on, but the world has only just begun to feel comfortable talking about gut feelings and the fact that intuition does, indeed, play a part in decision making, in the way we live, and in the way we become successful. For some of you, it will...
