Brand New Book. Excerpt from General Index of the Journals of Congress: From the First to Tenth Congress Inclusive, Being a Synoptical Subject Index of the Proceedings of Congress on All Public Business From 1789 to 1809, With References to the Debates, Documents, and Statutes Connected Therewith Show me a practical improvement and that improvement I will do my best to realize. This preliminary publication, comprising the index of the journals of the first ten Congresses, is made for the purpose of submitting to criticism and revision the plan, forms, and method designed for the entire work. I shall welcome suggestions, and even the most unsparing criticism; for the work I have undertaken, being almost entirely original in its design, is still subject to great improvement in its details. To use this index profitably, or to criticise it intelligently, it is necessary that its purposes and mom should be fully understood. The accumulated records of Congress are contained in about two thousand volumes of laws, documents, journals, and debates. These...
