Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from More Essays for United States Postage Stamps The publication in 1911 by the American Philatelic Society of my handbook on Essays For United States Postage Stamps brought to my attention many additions and a few corrections; I am pleased that the latter are few and that the former are generally additional colors only and especially that most of these may now be found in my collection. At the request of the Editor of the Official Journal of the Society, I write out my notes of additions and corrections.
