Kyle Vaughn had three goals in life: become a vet, find the man of his dreams, and start a family. He easily checked off the first item on the list when he took over his grandfathers veterinary practice. Too bad he wasn't as lucky in love. Chaz Hamilton took a leap of faith when he decided to pursue a career in writing, but one best seller didn't mean he could quit his day job. All work and no play threatened to make Chaz a very dull man when the only romantic action he saw was in the pages of his manuscript. Too bad he couldn't write his own happily ever after. Circumstances pushed the two men together, and one magical kiss beneath fireworks and stars changed everything. Kyle knew his luck had finally turned around and Chaz found a man far better than any book boyfriend ever written. There was just one problem. Chaz has kept a secret from Kyle that could ruin their chance at a beautiful life together. Kyle and Chaz learn that the best-laid plans often go awry, the heart has a mind of its own, and the greatest love is unscripted.
