Herb Gardening: (FREE Bonus Included) 20 Best Tea Herbs To Grow, Dry And Preserve There are hundreds of different herbs available on the market, although they are often associated with being added to food when cooking. However, many herbs can also be used to make delicious and healthy cups of tea. Indeed, you can even go as far as growing your own herbs and drying them. This will enable you to preserve them and drink your favorite tea when you want to without having to spend any money. This book will give you the following information: Understand why you may wish to undertake a project like this and the importance of power. You may also wish to consider how much of an impact you wish to make to the surrounding area. Being off-grid can be for survival purposes; in which case you do not want to draw too much attention to the facilities you have. A brief insight into the origins of tea and its uses. A guide to the different methods of drying your tea. A list of the ten best tea herbs, their effects and the best conditions for growing them. A second list of another ten tea herbs which have significant health benefits. This includes what these benefits are and how to grow these tea herbs successfully.
