Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, alter the way I really believe.

(Justice Wilderman)

WARNER CINEMAS: AN OUTLINE HISTORY

DOWNLOAD

Screentrade Media Ltd. Paperback. Book Condition: new. BRAND NEW, Warner Cinemas: An Outline History, Philip D. Turner, Today's Warner multiplex theatres, frequently mocked by purists although quite erroneously -- for their supposed clinical, futuristic appearance; their close corporate similarity; and somewhat 'factory-like' methods of exhibition, are examined in this book. The book examines 'identifying features of the theatre circuit, evaluating specifically their architectural and amenity merits -- quite often a triumph of human logistics over environment -- in addition to their extremely high standards of fit-and-finish which has helped in making Warner one of the world's more prestigious players in the field. Amongst others, the book takes a look at the cinemas at Croydon, Leicester, Acton, Harrow and Oberhausen, and also at the 1938 established Warner West End flagship.
