

## Fundamentalism: The Search for Meaning

Filesize: 7.76 MB

### **Reviews**

*Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.*

Oxford University Press, United Kingdom, 2005. Paperback. Book Condition: New. 193 x 127 mm. Language: English . Brand New Book. Since the end of the Cold War fundamentalism has been seen as the major threat to world peace and prosperity, a concern that was exacerbated by the events of 9/11, and the War against Terrorism . But what does fundamentalism really mean? Since it was coined by American Protestant evangelicals in the 1920s, the word has expanded its meaning to include radical conservatives or ideological purists in many spheres of activity, not all of them religious. Modern applications of fundamentalism include Islamist radicals in the Muslim world, the militant Israeli settlers who oppose them as well as Sikh, Hindu and even Buddhist nationalists who seek to justify their political agendas by reference to divine edicts or religious tradition. This exciting new book tackles the polemic and stereotypes surrounding this fascinating subject.
