## Telling It Like It Was

By Lloyd Root

Crown Resources. Hardcover. Condition: New. 352 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. TELLING IT LIKE IT WAS: My First Quarter Century by Lloyd Root is a vivid coming of age story and intimate portrait of what it was like to grow up as a dual citizen of the vibrant shipping port city of San Francisco in the 1920s and 30s, as well as the rural ranchland and mining communities nearby. Roots neighborhood included families of Italian, French, Irish, Mexican, Serbian, Greek descent, as well as a few other Basque families like his own, making it a fascinating place for a boy to grow up. Youngsters were drawn together by the sheer diversity of their various cultural and ethnic origins. Sports played an important role. Basketball, baseball, soccer, even games of kick the can became a driving force in forming relationships, developing skills, and instilling values. In a sense they provided a preview of the way the world works. Young Root, feisty with his fists and quick on his feet, thrived on playing ball in the streets during the days when there were no computers, television, video games and handheld devices to get in the way of sports. From his active...

### Reviews

*This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).*
