

The Universal Perspective of Humankind on Earth (Paperback)

By Yomon

Clay Road Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As your fictional aliens often say, I come in peace. In fact, peace, or lack thereof in your society, is the main reason I feel compelled to contact you at this time. Hailing from a small planet in the Sombrero Galaxy, Yomon is an interstellar traveler and observer who has become the Universal community's leading expert on humankind. Yomon has studied human culture for approximately 100 Earth years and has become a fan who sees humankind as possessing the rare combination of high intelligence and high artistic ability with the potential of making significant cultural contributions to the greater society of Universe-if it doesn't destroy itself first. With the Voyager 1 space probe on its way to exiting Sol with a greeting from humankind to the Universal community, Yomon responds to that message with this report titled The Universal Perspective of Humankind on Earth to inform it that yes, there is a greater society of intelligent beings, but that it must get its act together if it wants to be a part of it. This report also doubles as a...
